**NEW IHSAA PHYSICAL & CONSENT TO
TREAT/EMERGENCY FORMS REQUIRED**

A new IHSAA physical and consent to treat forms for the 2019-2020 must be on file with the athletic office prior to any workout, open gym,

practice, or competition. This is required every year. There are two links below. One is the IHSAA physical form that must be filled out and turned in to the LC athletic office. The second is the required online consent to treat and emergency medical information forms.

Both of these are required for any student-athlete for the 2019-20 school year, including summer workouts.

No student-athlete will be permitted to work out until these requirements are completed and submitted.
