

## Step 1

Call **Brian Maloney** at **317-964-7525** to set up a meeting with the LC Principal and Guidance Office

Academic programs & curriculum will be discussed

Co-Curricular & Extra Curricular programs can then be discussed if families have questions

A tour of the school will be given if the family so desires

## Step 2

Decide if attending LCHS is best for the entire family, meaning moving all students in the family to Lawrence Township

If the student plans to participate in athletics, please review the IHSAA By-Laws to ensure Full Eligibility before enrollment at LCHS

### **In most cases the IHSAA rules:**

**1. Full Eligibility:** student & family must make bona fide change of residence to new district

**2. Limited Eligibility:** student does not move and can only play JV or Freshman. Will gain Full Eligibility 365 days after last competition at previous school

**3. No Eligibility:** student named for primary athletic reasons or undue influence & cannot compete for 365 days after enrollment

## Step 3

Enroll at LC by going to the Welcome Center at Lawrence Township Education & Community Center located at 6501 Sunnyside Road

## Step 4

Once enrolled, make an appointment with the AD to do an IHSAA Athletic Transfer Report

AD will then attempt to introduce the new student to the coaching staff

Student will then be allowed to practice before ruling, but not prior to completing IHSAA Physical and LC Blue Form

Approximately within 5-7 business days (after previous school rules on the student) the IHSAA will rule Full Eligibility, Limited Eligibility, or No Eligibility

If given Full Eligibility or Limited Eligibility (JV/Freshman only), the student can now compete, completing the process.
