The clinic is for both the experienced and beginner. We will divide each player into their skill group to ensure they are being challenged both physically and mentally. Focus is on technical ability and the tactical knowledge when to use your foot skills. Beginners will enjoy learning the game, proper techniques, and some foot skills. Experienced players will continue to work on their craft, learn advance foot skills, and get the reps they need to improve their game. Goalkeepers are encouraged to attend!

All coaches are certified and coach either at the HS or Club levels. For more information, email Coach Herron at [herronhn1@gmail.com](mailto:herronhn1@gmail.com) or send a text to 317-413-1620.
